DENNIS UNIFORM  
4610 So. Arville, Suite #  
Las Vegas, NV 89103

Attention: Jo Ann Torre

Dear Dennis Uniform Family:

*Having just entered my school retirement after 26 years of day-to-day supervision of The Meadows, I want to tell you how wonderful and remarkable I have felt that our relationship has been over the years. From that very first year of operations in 1984 when I was simply seeking a striped necktie for our boys at St. Vincent's Uniform Shop—who put us directly in touch -- to just a few years later when our long, incredible, direct one-on-one relationship began, the attentive, high quality and integrity of what you have provided us have proven unmatched.*

*My words are "thank you."*

*I have learned over these many years that Dennis Uniform is truly unique, no doubt in part because you "are family," treat your customers as "family," and, in fact, are run by a family with employees who are considered the vital piece of "that family." The quality of your goods, the responsiveness of the Company to our ideas, requests, changes, and your willingness to meet our specific needs with consistency, accountability, and high quality are beyond remarkable at anytime but specifically in this day and age. . . wonderful!*

*Appreciatively and with gratitude,*
